Oakland 12, California

THE CREAM OF THE ROSES

Navlet's—Oakland, sell only selected Number 1 Grade, two-year-old, field-grown rose bushes budded on sturdy understocks. Bush roses will bloom the first summer after planting. Climbing varieties do not always bloom the first year.

OUR LIBERAL GUARANTEE

We guarantee every rose bush we sell to grow, to be true to name and type and to reach you in good condition.

IF YOU CANNOT PLANT ROSES IMMEDIATELY

Soak roots for several hours in a bucket of thin mud to which a root hormone has been added, then wrap carefully full length in damp burlap, to prevent drying out. If the canes appear dry or shriveled, bury the plant full length in moist soil for about 10 days.

ADVANCE ORDERS

The supply of many varieties of roses will be short for the 1947-48 season. You may avoid disappointment by placing an advance "paid" order, subject to crop.

DELIVERY

Free delivery in Oakland, Berkeley, Alameda, Albany, Piedmont, San Leandro, within delivery bounds, on orders of \$2.00 or more. If you reside outside of delivery bounds, we will prepay postage to you on an order for Bush, Climbing Roses of not less than \$2.50. Please include Sales Tax with all remittances.

ROSES AS GIFTS

Rose bushes make most acceptable gifts. It is better not to order rose bushes delivered during the Holiday Season. We suggest a Navlet Rose Gift Order specifying the varieties you want to give. When the Holiday Season is over, and weather favorable for planting, we deliver the roses, upon surrender of the Gift Order. This avoids the three-way disappointment brought about by well-meaning recipients who permit the bushes to dry up in the house awaiting their convenience to plant.

STARRED (\*) VARIETIES

These favorite varieties are on the list approved for planting in this area—beginners will do well to consider these.

**Snowbird\***—High-centered, very fragrant double white with creamy center. Leathery, disease-resistant foliage. Strong grower. Compact, bushy habit. **\$1.25 each**

**Sonata\***—Long pointed bud of cochineal red open to a full double rose of deep pink. An excellent rose for cutting. Vigorous, upright grower with large, healthy, leathery foliage. (Pat.) **\$1.50 each**

**Talisman\***—One of the finest of all garden roses for cutting. A combination of orange, yellow, and rose-red with a delicious fragrance, foliage rich green. **\$1.25 each**

**Texas Centennial\***—A richly fragrant blood-red sport of Pres. H. Hoover with all the good qualities of its parent. Tall plants are remarkably free blooming with flowers that come on erect, firm stems. (Pat.) **\$1.25 each**

**The Doctor\***—Enormous semi-double cupped flowers of satin pink. Very fragrant soft light foliage. Bushy habit. **\$1.25 each**

## CLIMBING ROSES

**Blaze\***—A Paul's Scarlet Climber that, once established, produces intermittent bloom after the main burst of blazing scarlet in June. Holds its color well in full sun. Grows 10 to 12 feet tall. Ideal along a fence or over an arch or trained on trellises against a white house. (Pat.) **\$1.50 each**

**Cl. Cecile Brunner\***—See Bush Roses. **\$1.25 each**

**Cl. Etoile de Hollande\***—See Bush Roses. **\$1.50 each**

**Cl. Golden Emblem\***—This favorite climber is a much stronger grower and not susceptible to "die-back" as in the bush form. Cadmium-yellow in the bud, opening to large, double, well formed fragrant canary yellow. Dark, glossy, leathery foliage. **\$1.50 each**

**Cl. Mme. Henri Guillot\***—See Bush Roses. (Pat.) **\$2.00 each**

**Cl. Mrs. Sam McGredy\***—See Bush Roses. (Pat.) **\$2.00 each**

**Cl. Picture\***—See Bush Roses. (Pat.) **\$1.50 each**

**Cl. Shot Silk\***—Described under Bush Roses. **\$1.50 each**

**Cl. Texas Centennial\***—See Bush Roses. **\$1.50 each**

**Cl. Talisman\***—More vigorous, stronger grower than the Bush Form. No other rose like it—a blend of orange-scarlet, gold, deep yellow, soft apricot and pink. Exquisite in the bud, it changes hues as it opens to maturity. **\$1.50 each**

## TREE OR STANDARD ROSES

(See quantity prices, Page 1)  
(Free Delivery within Bounds only)

Sturdy, double worked roses for formal plantings, along driveways, cemetery plots, etc. Curiously, roses in this form outbloom the same varieties in the Bush Form. The price of No. 1 Tree Roses is \$5.00 each dormant or bare root, and \$5.50 for Pat. varieties. We have to charge extra for packing and shipping of Tree Roses. Please give a second choice in ordering because supplies are not overly plentiful.
